BONE-IN SWORDFISH CHOPS

(xiphias gladius)

Features

- Hand-cut from fresh landings
- Always single frozen
- Gourmet, bone-in cut
- Excellent color, texture, flavor
- Thick cut chop
- Individually Vacuum Packed (IVP)

A Swordfish Chop (there are only 2 per fish!), pan-seared then roasted, and basted with oil, butter, fresh herbs, and shallots will make a welcome addition to any menu. Served with any manner of sauces (perhaps a mustard béarnaise?) and paired with seasonal potatoes and vegetables, these Swordfish Chops are unique and delicious.
